

COUNTY STAFF, GEORGE J. GIGARJIAN, GLENDA HILL AND STEPHANIA FRANCONI ARE STILL HOLDING UNLAWFUL ADMINISTRATIVE HEARINGS WHICH DEPRIVE CITIZENS OF DUE PROCESS RIGHTS AND IGNORE STATE BUILDING CODES. APPEALS SHOULD BE PERFORMED BY AN INDEPENDENT BUILDING AND FIRE CODE BOARD OF APPEALS COMMISSION AS MANDATED BY STATE LAW.

July 6, 2009- Update: Here are the [July 2009](#), [June 2009](#) and [May 2009](#) administrative hearings calendars of citizens being processed without independent due process. Uncertified and untrained Tom Burns' and staff continue their ignorance of codes and laws that preempt local ordinances.

April 23, 2009 - Since April 20, 1976, the County has narrowed the powers of and hidden the **Building and Housing Fire Code Appeal Board Commission** from the public. Instead, they have contained citizens to internal government employee hearings that go one way only. What is so defiant is the County continues to deny citizens their right to due process and their property rights even after the Alliance for Change had the appeals board commission established this year! The Board of Supervisors were losing their control so disbanded the appeals board without legal findings and by libeling, slandering and entrapping the board per our investigative research. See the following illegal County Administrative Hearing Calendars for November 2007 – April 2009 that **Tom Burns**, uncertified/untrained director and uncertified staff continue to contain citizens to.
