June 21, 2009 - Major local ordinance 12.10.070 was discovered missing from the County Code website today. This ordinance shows the adoption of the **1997 Uniform Building Codes** and many **exempt from permit** items; including fences less than ten feet are exempt. Local ordinance 12.10.070 is listed in a current major Federal lawsuit against the county trying to force a fence permit and restrictions on a property and in doing so the county is violating State, Federal and Constitutional laws. [Pages 1 and 20 of 12.10.070](#) are scanned for your information.
