- **More Biographical Information on Ellen**
- **Ellen and Terry have made the Second District their home since 1984** and have raised their four children in the Aptos-La Selva Beach area. Their children, Alex, Robert, Laura and Julia, have all attended Aptos public schools - Valencia, Rio Del Mar, Aptos Junior High, and Aptos High. Julia and Laura graduated from UC Santa Cruz, Robert (Bo) attends UC Santa Barbara, and Alex is a student at California State University Monterey Bay.

Note: Terry Hancock is Ellen Pirie's husband. This is the new posting on her Supervisors website (the investigator has shortened to include this paragraph of interest). There are no disclosures of their interconnected working relationships between other entities in the County on any of her Board of Supervisors personal website pages. This page does not disclose that Terry has a different last name, either.
