RE: APNs: 099-111-03, 04 and 103-031-02

First of all, you violated my constitutional rights by recording a Notice of Violation on my property title.

Second, you violated my constitutional rights to Due Process rights by denying me a hearing before the Housing Appeals Board as defined by Health and Safety Code § 17920.6 and Uniform Housing Code Section 203.

Third, you are attempting to deny my Due Process rights by threatening me with fines and penalties that are void under State Law because those enforcement costs were not incurred in a lawful process of Uniform housing Code violations that could ever lead to a declaration of a substandard building.

Therefore, I believe that the next step is for you to expunge the illegal recordings that the County has placed on my property and to issue a check in the amount of \$ 28,757 to compensate for all of my cost incurred in defending my Constitutional Rights.
